CeMix Concrete Ltd.
85 Devon Road, #3
Brampton, ON
L6T 5A4

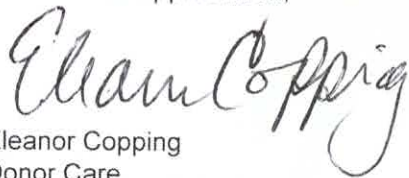

Dear Friends,

On behalf of everyone at Regeneration Outreach Community, I would like to extend our heartfelt thanks to CeMix Concrete for your generous donation of **205 pounds** of food. Your support will make a meaningful difference in the lives of our guests and offer comfort to those who need it most this holiday season.

At Regeneration Outreach, we are a compassionate community dedicated to serving individuals in Brampton who are experiencing homelessness, housing instability, poverty, or food insecurity. Our mission—to help guests move toward health and stability—guides us every day. We provide access to essential services and support in a safe, welcoming environment, offering kindness, warmth, and trust, especially during times of crisis.

Your generosity ensures that we can continue to walk alongside those who come through our doors, providing practical care, hope, and a sense of belonging. We are deeply grateful for your partnership and the difference it makes for so many in our community.

With sincere appreciation,

Eleanor Copping
